Dark-Eyed Junco

Photo credit: Tom Berriman

A close-up photograph of an Eastern Kingbird perched on a dark brown branch. The bird has a dark grey head and back, a white breast, and a long, deeply forked tail with a prominent white patch on the outer edge of the lower tail feathers. The background is a soft, out-of-focus green, suggesting foliage.

Eastern Kingbird

Wood Turtle

Photo credit: JDMays

Yellow Breasted Chat

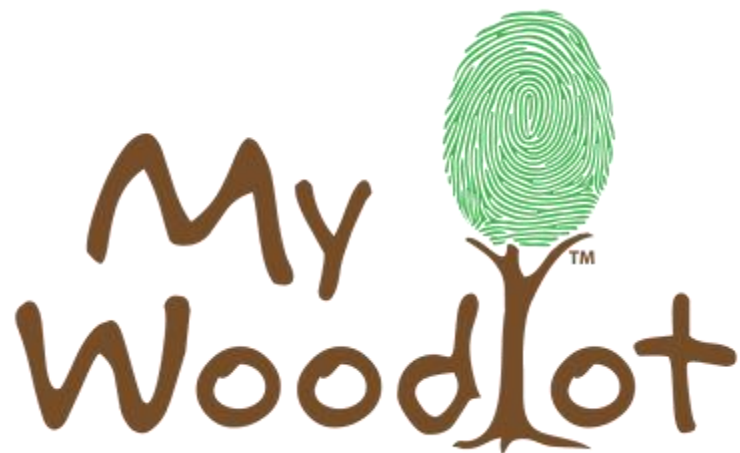

Photo credit: JDMays

A close-up photograph of a yellow warbler perched on a branch. The bird is facing right, with its beak open as if singing or calling. It has bright yellow plumage with subtle streaking on its wings and back. The background is a clear blue sky, and the foreground is filled with vibrant green leaves and branches.

Yellow Warbler
